

Interest return on retirement assets in 2017

Swisscanto Collective Foundation and Swisscanto Supra

The boards of the Swisscanto Collective Foundation and Swisscanto Supra have decided on the following interest rates for the interest return on retirement assets or projected interest rates for 2017.

Swisscanto Collective Foundation:
Retirement assets
(mandatory and supplementary): **2.00%**
Projected interest rate: **2.50%**

Swisscanto Supra:
Retirement assets **2.25%**
Projected interest rate: **2.50%**

In making their decision, the boards have taken account of developments in the financial markets, but have also kept in mind that the financial capacity of the foundations must be ensured. Their financial situation can still be considered very good and the foundations will be able to meet their long-term commitments.

The Boards of Foundation of the Swisscanto Foundations continue to pursue their performance strategy laid down in 2014.
